PROFILE

Fashion design graduate with hands-on experience across luxury fashion, runway production, garment construction, alterations, and fittings. Experienced supporting design teams and creative directors through the development and preparation of collections for New York Fashion Week and bridal presentations. Strong foundation in draping, sewing, hand-finishing, embellishment, and experimental construction, with additional experience in AI, CLO3D and other digital design tools.

EDUCATION

Parsons School of Design, NYC
BFA Fashion Design, 2025

LANGUAGES

Native fluency in English and Mandarin.

EXPERIENCE ROUTE

Boutique + Alterations Intern
Oscar de la Renta

Spring-Summer 2024 & 2026

- Supported the alterations team at the New York Madison Avenue flagship with fittings, garment preparation, and tailoring of luxury womenswear.
- Performed detailed hand sewing, repairs, and alterations with close attention to fit, construction, finishing, and garment quality.
- Assisted during fitting appointments by identifying fit adjustments and helping ensure garments were prepared to the house's construction and finishing standards.

Design + Fashion Week Assistant
CUCCULELLI SHAHEEN

NYFW Spring/Fall 2024, 2025, 2026

- Supported the creative directors with development and preparation of womenswear collections for New York Fashion Week.
- Assisted with garment development, fittings, styling, model casting, and backstage preparation throughout the collection process.
- Coordinated with Garment District suppliers and manufacturers to source materials and support production needs, alterations, and last-minute collection changes.
- Prepared garments and accessories for runway presentations, fittings, editorial use, and showroom appointments.

PR Intern
Chapter 2 Agency

Sept 2024

- Supported production and backstage operations for Dim Mak's Spring/Summer 2025 New York Fashion Week presentation.
- Coordinated garment, talent, press, and front-of-house logistics to support smooth execution of the runway event.
- Assisted with real-time show preparation and production changes in a fast-paced Fashion Week environment.

Showroom Intern
Jenny Packham

2023 New York Bridal Fashion Week

- Prepared bridal and eveningwear samples for New York Bridal Fashion Week appointments and presentations.
- Organized garments, accessories, and sample inventory while maintaining showroom presentation and garment condition.
- Assisted with merchandising, styling, and preparation of collections for buyer and press appointments.

Styling + Social Media Intern
Stylist Caroline Fung

Summer 2022-Spring 2023

- Styled and dressed models for editorial shoots while organizing garments, accessories, and complete looks.
- Designed and created a custom accessory for an editorial feature with influencer Steph Hui.
- Conducted garment fittings and alterations to achieve intended styling, proportion, and fit.
- Assisted with sourcing and coordinating fashion pieces for editorial and social media content.
